

## **Being Church Together in the region Zwolle-Apeldoorn-Deventer-Zutphen**

**Second meeting evening for international churches.**

**Wednesday evening September 22nd, 19:30-21:30.**

**Warmly invited!**

All 30+ international churches in the region Zwolle-Apeldoorn-Deventer-Zutphen are warmly invited to the second evening, organised by SKIN (Samen Kerk in Nederland, Together Church in the Netherlands).

During the first meeting on June 2nd, leaders from different international churches met each other. We talked about issues that many churches face, such as housing issues. And we submitted our desires and concerns to God in prayer.

Ministering a church congregation is not always an easy job. It can be very encouraging to speak to others who also know these challenges, to be able to inspire and pray for each other!

On September 22, we want to meet again. This time, two other churches will share some of their stories. Pastor Raul Salas of Bethesda Ministries will share how his church decided in recent years to switch to the Dutch language, in order to reach out to more people. And a speaker from the Moluccan church will share about his or her experiences around youth, the church and changes in the church.

Besides that there will be time for interaction, learning and praying together.

The vision of SKIN is based on unity in the body of Christ (John 17), and appreciation for our unique talents and roles within that body (1 Corinthians 12). The gospel is spread among different nations worldwide, with their own language and culture, but we also want to reach out our hands to each other as brothers and sisters in Christ. It is good to know each other and to join our forces. We have a common mission and often face many of the same challenges in Dutch society!

### **Praktical information**

Interested? More information and registration via Madelon Grant, [madelon@skinkerken.nl](mailto:madelon@skinkerken.nl) or 06 33788164. Please register before September 15th.

At a later moment we will consider whether this evening will be live or online.

**You are very welcome!**
